

Tamara Lisco

Tamara accepted the leadership role at Mesa Withdrawal Management when the pandemic was beginning. She went above and beyond in developing solutions to the daily challenges that jeopardized our ability to provide life-saving services to the people we serve. Tamara led her team in maintaining an average daily census of over 7 clients, which is remarkable considering many other entities closed entirely for long periods of time. She went above and beyond, working many detox shifts herself to cover when staff was out sick. Tamara has offered a steady hand during very unsteady times. She accepts challenges with a positive attitude, and a “can do” mentality. I’m thankful that our agency has Tamara to lean on.
